### **Our identity:**

The Presbytery of Donegal is a regional gathering of Presbyterian Churches from the Reformed tradition. The Presbytery of Donegal takes seriously its calling to love our neighbors and to befriend all by living this out through encouraging healthy relationships and process at all levels and by our continual commitment to local, national and world mission opportunities.

We are committed to the Great Ends of the Church:

Proclaiming the gospel, drawing men and women to salvation in Christ, baptizing and making disciples, in the name of the Father, Son and Holy Spirit,  
Building open and inviting healthy church communities of faith in Christ's name,  
Promoting worship in different languages that honors and glorifies God,  
Preaching and teaching the full and unchanging truth contained in Holy Scripture,  
Pursuing temporal social justice in our world in Christ's name and to his glory,  
Strengthening the respective God-given work of Presbyterian families, local Presbyterian congregations, Donegal Presbytery, the Synod of the Trinity, and the PC(USA).

### **Mission**

Together we are an expression of the body of Christ, working to bring the good news of Jesus Christ in word and deed in our community, presbytery and around the world.
